

## INVITATION

On behalf of the Chair of the Scientific Council, dr hab. Janina Pach, prof. UP  
and the Organizing Committee I have the honor of inviting

**Ms. Zahra Vaslehchi**

**Islamic Azad University, Tehran, Iran**

to participate at the International Scientific Conference

### **SOCIAL ECONOMY 2020 SOCIAL ENTREPRENEURSHIP IN THE FACE OF THE 21st CENTURY CHALLENGES – POLISH AND INTERNATIONAL EXPERIENCES**

The conference is aimed at:

- discussing and analyzing contemporary theoretical and empirical issues in social economy and social entrepreneurship,
- disseminating of research results and sharing insights with fellow professionals about the most recent trends, emerging concepts, challenges and dilemmas relating to the social entrepreneurship, including theories and models of social entrepreneurship, social entrepreneurship impact on local communities, endogenous and exogenous conditions for the development of social entrepreneurship, practical solutions adopted in the fields of social entrepreneurship,
- creating an open and inspiring forum for knowledge and experience exchange among conference participants: academics, practitioners, social entrepreneurs, representatives of local communities and government authorities, early-career researchers, doctoral students, student scientific circles.

The conference is scheduled for May 28, 2020

Place: Prof. Danek Auditorium, Pedagogical University of Cracow, Poland
